

Draft Hampton Roads Regional Conformity Analysis
FY 09-12 Transportation Improvement Program

MPO Meeting, April 16, 2008 – 10:30 a.m.
HRPDC Boardroom, Chesapeake, Va

Chris Voigt, VDOT Environmental
christopher.voigt@vdot.virginia.gov
(804) 371-6764

Agenda

- **Conformity Analysis Results**
 - Regulatory Criteria
 - Emission (Budget) Tests
- **Schedule Update**
- **Recommendation for approval**

Criteria specified in the federal conformity rule (40 CFR Parts 51 and 93)

Section	Criteria	Demonstrated:
93.108	Fiscal constraint	Yes**
93.110	Latest planning assumptions	Yes
93.111	Latest emissions model	Yes
93.112	Consultation	Yes
93.113(b) & (c)	TCMs	na***
93.118	Emissions Budget	Yes

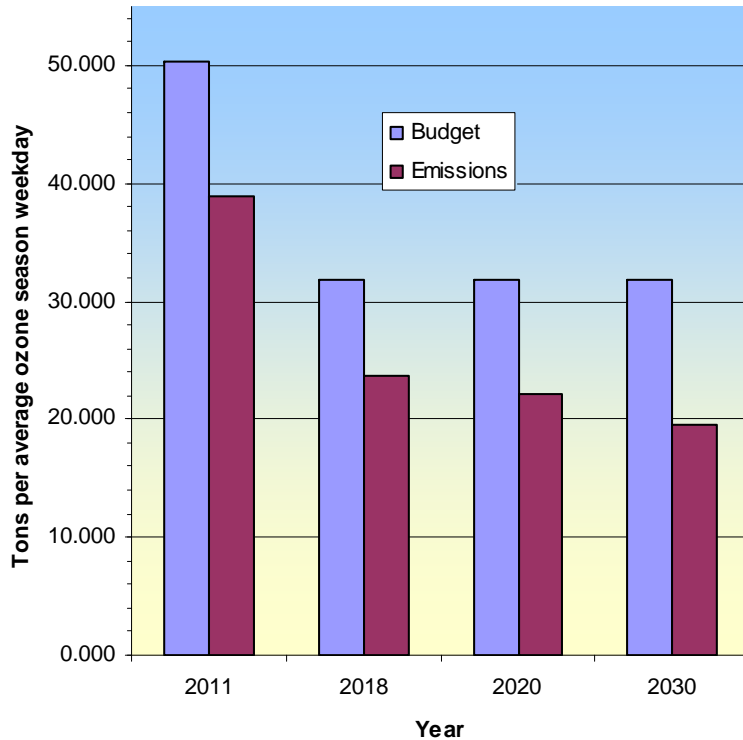

* As specified in the federal conformity rule at 40 CFR 93.109, “Table 1 – Conformity Criteria”, with the addition of fiscal constraint as required in Section 93.108.

** As indicated by MPO approval of the project list for the TIP and documented with its report, and subject to federal review consistent with 23 CFR Part 450 as referenced in Section 93.108.

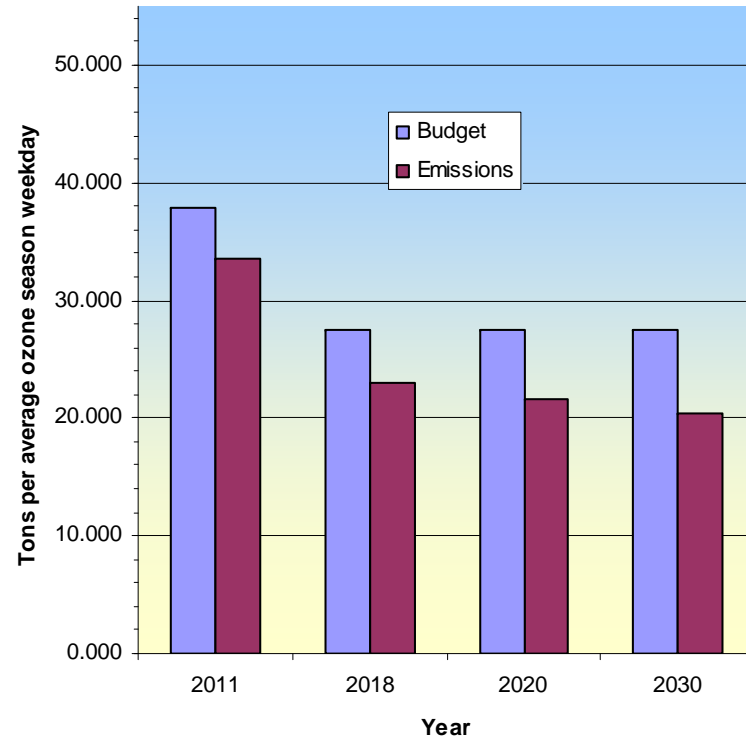

*** The applicable implementation (maintenance) plan for Hampton Roads does not include transportation control measures (TCMs), and therefore they are not required for the conformity analysis or determination. See 72 FR 30490, effective June 1, 2007.

Emission Budget Tests (Section 93.118): Hampton Roads FY 09-12 TIP

NOx Emissions Budget Test

VOC Emissions Budget Test

Conformity Analysis Schedule (Accelerated)

DATE	TASK
February 6, 2008 February 20, 2008	TTC recommendation for approval of the project list for the conformity analysis. MPO approval of the project list for the conformity analysis. Initiation of 14-day public review period as required by the TPP.
March 5, 2008 March 26, 2008	ICG Meeting. Modeling and draft Conf.Analysis completed by VDOT.
April 2, 2008	TTC recommends approval of draft analysis & finding, subject to receipt of no adverse comments in public review.
April 16, 2008	MPO approval of conformity analysis and finding for public review & comment.
April 18 - May 2, 2008	Public Review Period
May 3-6, 2008 May 7, 2008	<i>VDOT/HRPDC staff review and draft responses to comments received, if any. If adverse comments are received, TTC reviews responses and, as appropriate, recommends approval of the draft conformity analysis and finding.</i>
May 21, 2008 May 28, 2008	MPO approval of conformity analysis and finding. MPO approval letter issued. VDOT transmits final Conf.Analysis to FHWA for federal review & conf. finding. Federal review period begins (up to 45 days).
July 5, 2008	Federal (FHWA/FTA) conformity finding.

Actions:

TTC 4/2/08: Recommended approval of the draft Conformity Analysis and finding, subject to receipt of no adverse comment in the public review period.

- No comments on the analysis or finding were received at the TTC meeting.

MPO: Approve the draft Conformity Analysis and finding for public review and comment.
