2040 LRTP Vision Statement

With an engaged public, the 2040 Long-Range Transportation Plan sets forth a vision to develop a well-balanced transportation system that promotes good quality of life while enhancing the unique character of Hampton Roads.

2040 LRTP Goals

Support the **economic vitality** of the metropolitan area, enabling global competitiveness, productivity, and efficiency.

Increase the **safety** of the transportation system **for all users**, including minimizing conflicts between motorized and non-motorized modes.

Ensure the **security** of the region's transportation infrastructure and its users.

Protect and enhance the **environment**, promote energy conservation and improve the **quality of life**.

Consider the impact of transportation investments on the **environment**.

Promote **compatibility** between transportation improvements and planned land use and **economic** development patterns.

Increase **accessibility** and **mobility** of people and goods.

Provide a **variety of transportation options** that accommodates all users.

Increase the **coordination** of the transportation system, **across and between modes**, for people and goods.

Promote an **efficient** and **reliable** regional transportation system.

Preserve and maintain the existing transportation system.

Engage a diverse public in the development of the region's transportation system.

Continue to work towards finding **dedicated and sustainable revenue sources** for transportation to close the funding gap.
