

**AGENDA ITEM #11: CONGESTION MANAGEMENT PROCESS – THE STATE OF
TRANSPORTATION IN HAMPTON ROADS: DRAFT**

SUBJECT:

The draft State of Transportation in Hampton Roads 2013 Report is available for review and comment.

BACKGROUND:

As part of the Congestion Management Process (CMP) and our commitment to track regional performance measures, HRTPO staff annually produces the State of Transportation in Hampton Roads report. This report details the current status of all facets of the transportation system in Hampton Roads, including air, rail, water, and highways. Many aspects of the highway system are highlighted, including roadway usage, bridge conditions, costs of congestion, commuting characteristics, roadway safety, truck data, transit usage, active transportation, highway funding, and operations. Comparisons between Hampton Roads and similar metropolitan areas are also included.

The draft version of the State of Transportation 2013 report will be made available for public review and comment from April 3, 2013 through May 1, 2013. HRTPO staff intends to request approval of the final report at the June 2013 TTAC meeting.

Mr. Keith Nichols, Senior Transportation Engineer, will brief the TTAC on this item.

Enclosure 11: The State of Transportation in Hampton Roads 2013: Draft Report

RECOMMENDED ACTION:

Review the draft report during the public comment period and submit comments to Keith Nichols (knichols@hrtpo.org) by COB Wednesday, May 1, 2013.
