

**AGENDA ITEM #13: STATEWIDE PARK & RIDE INVENTORY AND USAGE STUDY 2013:  
VDOT**

**SUBJECT:**

A briefing on Park and Ride Lots in Hampton Roads and an update on the Statewide Park and Ride Study.

**BACKGROUND:**

The Commonwealth of Virginia recently completed the Draft Statewide Park and Ride Study. The Park and Ride Program Mission is to develop, deliver, operate, and maintain a system of Park and Ride facilities that support the Commonwealth's initiative to reduce congestion and vehicle miles traveled and support the long-term vision of a multi-modal transportation system. The Study includes a procedures manual and a program vision as well as inventory, signage, lease agreement, and website updates. Park and Ride information may be viewed at <http://www.virginiadot.org/travel/pnrlots.asp>.

Ms. Liz McAdory, VDOT State Park and Ride Program Manager, will brief the TTAC on this item.

**RECOMMENDED ACTION:**

For discussion and informational purposes.
